JUSLYN VINEYARDS 1999 VINTAGE TASTING NOTES

1999 ‘Vineyard Select’ Cabernet Sauvignon

This wine is smooth and round on the palate, with fine tannins that frame black current, plum, black cherry, chocolate and herb flavors.

The Cabernet Sauvignon vineyards for this wine are right next to Martha’s Vineyard in Oakville and are farmed by Andy Beckstoffer. The Merlot and Cabernet Franc came from the western hills near Yountville.

Each year we select the most concentrated and age-worthy lots for the blending of the Vineyard Select. These lots contain more color and tannin and are subtler in bouquet but more powerful on the palate. We age these lots in 100% new French oak. The Vineyard Select blend is “built to last” and should continue to improve for 8 to 12 years. If you like you can lay it away for future enjoyment or drink it now with a meal that matches the wine’s intensity. **WE 93**

80% Cabernet Sauvignon, 18% Merlot, 2% Cabernet Franc
