VINEYARDS

**2001 Juslyn Estate Cabernet Sauvignon:
92 Points**

The 2001 Cabernet Sauvignon Spring Mountain Estate offers an attractive but restrained bouquet of creme de cassis, licorice, crushed rocks, subtle oak, and background cherry scents. A superb, elegant example of what can be achieved in California, it possesses a Bordeaux-like personality superimposed upon the wonderful ripeness and purity of Napa Valley mountainside fruit. This beautifully made, structured Cabernet will benefit from 2-4 more years of bottle age. Anticipated maturity: 2007-2020.
